**ATTENTION USERS:**

You should click on this link to read the "[License Result Column Definitions](#)" to better understand how the result columns are defined in this State.

The Regulatory Action Taken label only identifies that the individual has been subject to regulatory action. In the case of an individual with multiple license types, this label does not identify which license was involved in the regulatory action. This information is available upon request to the North Carolina Department of Insurance - Agent Services Division.

\* Indicates those agents which have branch offices. Click the link to view.
