Special Instructions

- All turnaround times exclude the day of pickup/scan day and delivery
- All timing excludes Saturday, Sunday and major holidays
- Allow an additional 2 days for UPS shipping
- Complex implant and full arch reconstruction, please call for scheduling
- Verification jigs will be done on all screw retained bridges and some cement retained bridges to ensure accuracy prior to finishing. This is an extra appointment but very beneficial to you and your patient.
 - Please submit x-rays for all implants to: colonialdental@gmail.com

Custom shades will affect turnaround times depending on appointment availability & the type of case. ****Please note the patients' custom shade appointment date starts the first day of the turnaround time.***** It is also possible the patient might need a verification appointment prior to delivering the case. Please keep this in mind when scheduling.

***Please submit stump shades for anterior layered, emax, veneer cases.

- Dental offices/patients can now schedule a custom shade through our website: colonialdentallaboratories.com

Warranty:

- 1-year warranty (fault of the lab) on all products except Veneers, Maryland Bridges, and Full-Cast Restorations.
- Custom Shades have guaranteed shade adjustments.
- Any remakes will be placed on hold until all original parts of the case have been returned.
