- View and print statements online
- Pre-book cases to determine the turn-around and reserve schedule time
- Ensure the accuracy of the Rx
- Attach digital photos to the Rx
- Check the status of a case

Your technical preferences and prices are pre-loaded into the system; simply notify us that you are ready to use this innovative tool and we will have you active in minutes!

We pride ourselves on providing you with the best possible customer service, the latest technology and the best practices so we can work with you to exceed your patients' expectations. We believe our new dentist gateway is a huge leap forward in helping us to better provide you with all these benefits.
