

MINISTRY IMPACT

Stillwater Life Services

MISSION

STATEMENT: Stillwater Life Services exists to promote a Christ-centered view of life and sexuality by offering hope and healing to women, men and their families so they are enabled to make positive, life-affirming choices

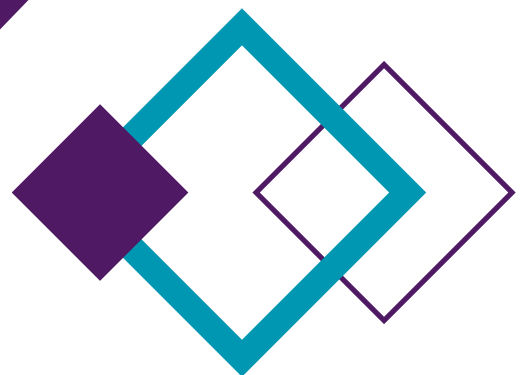

VISION: Through this Christ-centered ministry, Stillwater Life Services provides physical, emotional, and spiritual support for women and men dealing with unplanned pregnancies; offers support and healing to those who have experienced past abortions; and promotes sexual health and integrity, and the sanctity of life.

STRATEGY: To become an authoritative source in Stillwater and surrounding areas for information, support, and empowerment about pregnancy, sexual health and integrity, healthy relationships, and post-abortion support. As such, the pregnancy center does not recommend, provide, or refer for abortion or abortifacients.

MINISTRY CORE VALUES

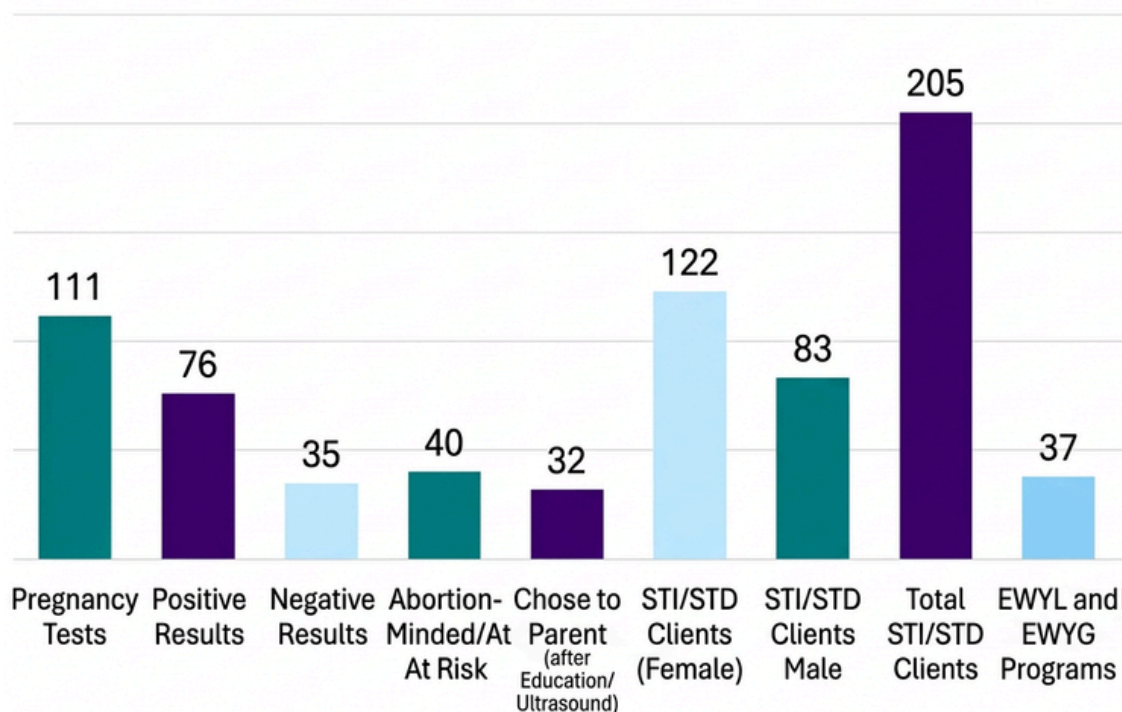

1. **Obedience** – We desire to glorify, be obedient to, and serve God in everything we do.
2. **Pro-Life** – We believe life begins at conception and are committed to upholding the sanctity of all human life.
3. **Transformation** – We believe that Jesus Christ is the only one Who can truly transform a life; therefore, we are committed to presenting the Gospel in Word and deed to the clients we serve.
4. **Integrity** – We are committed to maintaining the highest level of integrity in all interactions within the ministry and community.
5. **Truth** – We are committed to the truth of Scripture and seek God's guidance by study and prayer.
6. **Stewardship** – We will exercise godly stewardship in all financial dealings.
7. **Awareness** – We will stay true to the mission to which God has called us to as we strive to meet the needs of those we serve.
8. **Accuracy** – We are committed to providing our clients with accurate information throughout all of our programs and services.
9. **Community** – We believe that the Church is the Body of Christ, and we are committed to working with the Church to see Christ's kingdom advance.

CLIENT STATISTICS

This graph reflects the heart of our mission in 2025: to honor life, share hope, and walk alongside those facing unplanned pregnancies. Of the 111 pregnancy tests administered, 76 came back positive. These numbers are far more than statistics; they represent sacred moments where fear often meets faith. Many of these women initially came to us abortion-minded or vulnerable, yet through prayer, compassionate counsel, and the truth of God's love, many chose life for their child. These are the moments where we see God move most powerfully, transforming uncertainty into courage and despair into hope.

2025 Client Statistics

Our STI/STD testing program also plays a vital role in this ministry, allowing us to reach individuals at risk for unplanned pregnancy while providing medical education rooted in God's design for sexuality. The testing we offer mirrors what OBs provide in the first trimester, giving us another opportunity to extend Christ-centered care, education, and grace to every client who walks through our doors.

EWYL/EWYG - *Earn While You Learn* is a first-time mom program where clients are provided a volunteer mentor. *Earn While You Grow* is a program for expecting moms who already have a child and need additional support but not necessarily a one on one program.

2026 UPCOMING

As we look ahead to 2026, Stillwater Life Services stands at a pivotal and prayerful moment. One filled with growth, gratitude, and God's faithful guidance. The needs of our community are great, and our calling to meet them with compassion, truth, and love has never been clearer. Every positive test, every conversation, every ultrasound reflects our mission in motion: to offer help and hope through Christ to women and men facing unplanned pregnancies.

By God's provision, doors are opening for greater outreach, stronger partnerships, and deeper impact. Our upcoming initiatives focus on four mission-driving areas that equip us to share the truth of life and the heart of the Gospel more effectively than ever before.

Client Outreach — "Extending our reach online and beyond"

Our focus is to continue reaching women where they are, primarily online. Partnering with a professional digital marketing firm, we now utilize Google ads, SEO, and targeted website content designed to connect with women searching for abortion or pregnancy services. By joining a statewide alliance of 11 centers, we are amplifying our impact through combined resources and messaging rooted in life and hope.

Ultrasounds — "Bringing life-affirming care in-house"

Ultrasound remains one of the most powerful ways to affirm life by allowing mothers and fathers to see the child growing within. For years, Stillwater Life Services has partnered with SMC and the Women's Clinic to provide these scans. Now, through God's incredible provision, we are bringing this service into our own facility. Equipment has been purchased, team training is underway, and soon this sacred service will be offered right here in the safe, trusted space our clients know and love.

Community Outreach — "Building connection through faith"

Our heart is to stay active in the community, especially within the local church. Whether participating in women's ministry events, youth gatherings, or church-wide activities, we value these opportunities to serve and build bridges with fellow believers. These touchpoints allow us to encourage, equip, and prepare the Church to connect with women who may one day need our services, spreading a message of truth, hope, and life.

Volunteers — "Strengthening ministry through people"

Volunteers are essential to Stillwater Life Services. They sustain our ability to serve clients while keeping our budget aligned with our mission. Each volunteer's time, gifts, and prayers multiply our ministry's reach. By sharing the need for new volunteers, you help open pathways to new hearts ready to serve. You are our bridge to those who haven't yet heard about Stillwater Life Services, but whose support will help us continue this life-saving, life-changing mission.

MINISTRY PARTNER

Stillwater Life Services is deeply blessed by the partnership and support of our local churches. We believe that the body of Christ working together brings lasting impact, and we could not fulfill our mission without your faithful involvement. Throughout the year, there are many ways your church can assist, from sharing our vision and volunteer needs within your congregation to hosting informational tables, ministry moments, or special events that highlight life-affirming work.

Ways Your Church Can Partner with Stillwater Life Services

Share our mission during
Sancity of Human
Life Month in
January

Host a Baby Bottle
Campaign in May/June

Share our event information
to help us connect
with new people

Invite an SLS staff or board
member to a church staff
meeting once the year

Host a Moms Night Out
or childcare evening
in the church nursery

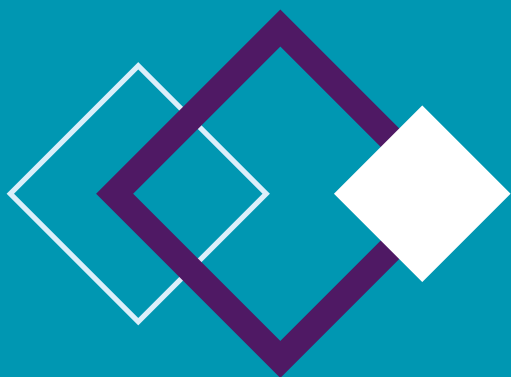

Host an
Embrace Grace group
in your facility

Together, we are making an eternal difference. Your prayers, presence, and partnership allow Stillwater Life Services to continue standing for life.

Most importantly, we ask that you continue to pray. Pray for the women and men we currently serve and for those we have yet to meet. Pray for our staff to lead with God's wisdom and compassion. Pray for our volunteers and for His faithful provision over our financial needs. Your prayers sustain us in ways words cannot measure.

While we communicate through brief updates or emails, our desire goes far deeper than digital connection. We long to stay personally connected with our faith-based community, through shared fellowship, ministry opportunities, and the unity found in Christ's calling to value every life.

We are deeply thankful for the faithful partnership of our local churches. Your generosity through financial gifts, volunteer support, and ongoing prayer sustains every part of this ministry. Because of your willingness to share our mission within your congregations, more women and families hear about the hope and help available through Stillwater Life Services. Your encouragement, your giving, and your intercession carry us through each day of service, strengthening our staff, guiding our outreach, and covering the women we have yet to meet. As we move forward, our heart is to build an even deeper connection with each supporting church through shared opportunities, strengthened relationships, and continued unity in the life-affirming work God has called us to do together.
