### Special Conditions

- 1) **Custom Orders** - In certain cases of orders on turntables, tonearms, and components that are customized, The Audiophile Lounge may require full payment upfront at the time the order is placed.
- 2) **Large Special Orders** - Purchases of Orion Reference FMD, Tourbillon FMD, Artus FMC, and Metropolis FMD may require a partial payment of up to 50% upon placing the order or at the time a firm commitment date is provided by Transrotor.
- 3) **Component-Only Orders** - If a standalone component is not in stock, customers may choose a "Rush Order" charge (TBD) to cover the cost of International Freight for shipping that component on its own.
