PANAMA MISSIONS JUNE 27-JULY 5 & GHO MEDICAL MISSIONS SURVEY TRIP

Dr. Josephine Glaser and A.J. Bennett had a successful mission trip to Panama! It is a beautiful country with beautiful people. The Las Garzas Church we connected with is strong but the needs of the region are great.

We were able to meet with several government officials and the local Director of the only area clinic, Zuila Won. Zuila told us that there are about 40,000 people to serve in the Region and they have only 2 family physicians, one pediatrician that only works 4 hours 5 days a week, two dentists and a big need for optometry care.

Medications are very expensive and hard to come by.

Everyone we talked to expressed what a blessing it would be to have a medical mission team come serve in the Las Garzas, Panama region.

Please let us know if you would be interested in being a part of a 2020 medical missions team and be in prayer for God to make a way!
