CONNECT THE DOCS - OCTOBER 12TH

We were blessed to have a fantastic guest speaker in Dr. Charles (Cas) Grimshaw, MD, and an encouraging testimony from Med. student, Abby Bergman. We were also treated to a delicious meal and great fellowship and networking among many health care professionals and students! If you missed this make sure you don't miss the next one!

SLU MED STUDENTS

We were honored to have three very special guests in October. On October 7th Dr. Bill Griffin, DDS, CMDA VP of Dental Ministries gave talks to our SIU Dental students and Wash U Health Care students. On Oct. 28th & 29th Allan Harmer, Th.M., D.Min., CMDA Midwest Regional Director & Bill Reichart, MDiv., VP Campus and Community Ministries met with our St. Louis Staff, student leaders and Council.
