Candy Cane Spiel

Happy New Year!

Let's start off with old news. Isn't that the way to do it? Results from the Candy Cane Spiel 2022.

We hosted 24 teams over the 3 day event for a weekend of great curling, laughs and gaffs and a whole lot of fun. We went on a little road trip and called out each club that was represented to the cheers and hoots of the curlers. There was no prize for the loudest but maybe there should have been. Will think on that for next year.

Normally we would give a gift to the team travelling the farthest to get to the spiel but this year we decided to give 2. The team from the Evergreen Winter Club out of Oregon and the Duncan Team both received gifts.

The MacIntosh team out of Tunnel Town and Cloverdale took 1st place. These ladies identify their home rink as Tunnel Town but Cloverdale is claiming them also, as they curl out of Cloverdale on the Tuesday Morning Ladies League.

Team O'Brien, also out of Cloverdale took second place. They curl out of the Tuesday Morning Ladies league as well.

Team McDonnell rounded out the top three. This team curls out of the Langley Curling Centre.
