## Message From the President

What a difference a year makes!

Last year at this time curling had been halted by order of the Provincial Health Officer and never did start up again.

This year curling is going strong, modified social events have been allowed and things look promising for the balance of the season, including the Open and Workingman's Bonspiels in February.

COVID is still on the news each night, in particular with the new Omicron Variant, so we need to continue to follow all safety rules and then, hopefully, we will have our first full season in two years..

On behalf of the Board of Directors, thank you to the staff for all their work to get this season off to a great start, and to all of you for your continued support. Best Wishes to you and your loved ones for a very Merry Christmas and Happy, Healthy and Prosperous New Year!

Joe Strain, President

## Candy Cane Results

2021 saw 22 teams take to the ice for the Annual Sr. Ladies Candy Cane Spiel on December 3, 4 & 5. We saw a lot of great curling and a lot of laughing and catching up by everyone. Between the weather and the washouts and the COVID protocols there were a few moments to be sure. But the weather held, the Chilliwack team made it in, the Island team made it over and with the help of our COVID Table Police we remained safe.

### **Candy Cane Spiel** **Winners**

- 1st—Team Klebe from Chilliwack
- 2nd—Team McDonnell from Langley
- 3rd—Team Clark from Cloverdale
- 4th—Team Andrews from Langley

### Open Spiel

The annual CCC Open Spiel returns on February 4th-5th. The event includes a guaranteed 3 games, followed by dinner by Connie's Cucina. With the Olympic theme, the Best Team Costume will be awarded, so dress as your favourite country and come Olympic ready!
