The best part is, your ticket purchase goes directly to help your curling club, Just choose your club through an easy drop-down menu and it will see the proceeds of your ticket (50% goes to raffle winner, 40% goes to individual clubs, 10% goes to administrative costs).

Practice Ice

Practice ice times are Mondays and Thursdays from 4:00pm-6:00pm during the regular season. Once on a sheet, curlers are guaranteed half an hour of practice time. After that half hour, you must leave your sheet if there are other curlers waiting in the lobby. If there are no waiting curlers, you may continue to practice beyond that time.
