### Introduction

The Village of North Portal, Saskatchewan has established an Emergency Plan. This plan is to be used in the event of an emergency at North Portal, Saskatchewan. The plan is to establish roles and responsibilities for people to follow in the event of an emergency within the Village of North Portal. The objectives of the plan are to:

1. Minimize harm to the people of North Portal, Saskatchewan.
2. To safeguard the property in North Portal, Saskatchewan.
3. To restore conditions back to normal with minimal confusion as soon as possible.

The aim of this plan is to make provision for the extraordinary arrangements and measures that may have to be taken to protect the health, safety, welfare, environment and economic health of the residents, businesses and visitors of the Village of North Portal.

It enables a centralized controlled and coordinated response to emergencies in the Village of North Portal, and meets the legislated requirements of the Saskatchewan Emergency Planning Act.

Emergencies most likely to occur within the Village of North Portal are: **extreme weather conditions such as tornado, flooding, winter blizzard, ice storm; transportation accidents involving hazardous materials, natural gas line leak, oil well fire and/or explosion, electrical power blackouts; and acts of terrorism, such as bomb threats or train derailments**, or any combination thereof.

### Declaration of a Local Emergency

The Council, or in the absence of a quorum of council, the Mayor/Reeve may declare a Local Emergency. This decision is usually made after consulting with members of the Emergency Operations Centre Management Team and especially with the EMO Coordinator and Emergency Site Manager. The Council or the Mayor/Reeve must fill out the Declaration of Local Emergency contained in the attachments.

Upon the declaration of the Local Emergency, the Council and/or Mayor/Reeve shall notify:

- The residents of the community (see News Release in the attachments);
- Minister of Corrections and Public Safety through Public Safety & Sask911; and
- Neighbouring municipalities and communities as may be required.

***The extraordinary powers listed in Section 10 of this plan can only be utilized after the council, or in the absence of a quorum of council, the Mayor/Reeve have declared a Local Emergency. A Local Emergency is not required to be considered eligible for compensation for Provincial Disaster Assistance Program.***

## 15.0

### Emergency Powers (See Emergency Planning Act, 1989)

Emergency powers may only be used after a Local Emergency has been declared. The Council may do all acts and take all proceedings that are reasonably necessary to meet the emergency (see Section 21 of *The Emergency Planning Act, 1989* in the attachments).

## 16.0

### Termination of Local Emergency

The local emergency may be terminated at any time by:

- The Council; or
- The Minister responsible for *The Emergency Planning Act, 1989*.

The council shall complete the form “Termination of Local Emergency”, found in the attachments as appropriate.

Upon termination of an emergency, the Council and/or Mayor/Reeve will notify:

- The residents of the municipality;
- Saskatchewan Public Safety & Sask911; and,
- Neighbouring municipalities and communities, as required.

## **17.0**

### **Review of Plan**

This plan shall be reviewed and exercised annually (or as directed by Council) and amended and distributed as necessary.

The basics of the plan will be sent to all residents and businesses of North Portal by mail in April of each year. Each household will then have knowledge of the plan in the hope of eliminating confusion should a local emergency occur in North Portal.
