Old NewsBoys Donation

Kirk Care was chosen this year to receive funding along with many other children's charities at the Old Newsboys Campaign for Children's Charities Annual Ceremony on April 16th. Kirk Care completed the Old Newsboys Grant Funding Application last October which

focused on our mission of assisting children in need with summer youth tuition assistance, school supplies and the basic needs of food and emergency utility assistance. We plan to utilize our \$500 grant for tuition assistance with the SPROG and KSD education partnership this summer.

Mary Queen of Peace Students Volunteer

Mary Queen of Peace 3rd grade class visited the food pantry and held a food drive. MQP was studying the theme "Feed the Hungry" and wanted hands on experience of what a food pantry does and who we help.

Girl Scouts Donate to Kirk Care

Kirk Care received more than three truck loads of personal care items and 8,000 food delivery bags from the 2019 Girl Scout April Showers Event on April 13th! The timing and quantity of the personal care item donation is huge allowing Kirk Care to share personal care items to nearly 650. Thank you Lou Kramme, Girl Scout Volunteer - Event Coordinator and Girl Scouts for all you do to make a difference in our community!

Donations Needed

Donations of toilet paper, paper towels, Kleenex and cleaning supplies are needed. In addition, canned goods are always accepted. Please drop donations off at one of our red boxes. The boxes are located at Kirkwood library, Kirkwood Train Station, Kirkwood Community Center and Kirkwood City Hall.
