Join Kirkwood Public Library for an exciting new summer program that brings storytime, crafts, and food to community locations in Kirkwood! Along with fun activities for the whole family, children will receive a free meal, a new book, and additional nutritional items.

See our list of locations each week:

Meacham Memorial Park- June 15, July 20

Kirkwood Park Community Center Gym- June 22, July 27

Robinson Elementary- June 29, August 3

Filmore Park- July 6

Grace Episcopal Church- July 13

Westchester Elementary Goes Wild Event

In partnership with the St. Louis Zoo, Westchester Elementary hosted a community-wide sustainability and outdoor learning event on May 18th. Westchester invited Kirk Care to participate in the event to collect badly needed food going into the summer for those in need within our community. Kirk Care collected 300 items allowing us to provide supplemental food needs to 12 families in need within our community. A special thanks to Westchester and our volunteers, especially Casey Stark, Kirkwood High School. Thanks to all for a great event!

Schnucks Donates to Kirk Care

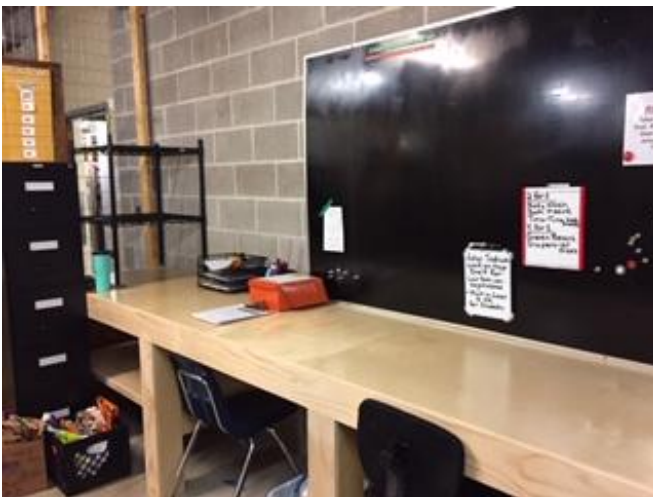

Kirk Care was thrilled to receive 40 feet of shelving from Schnucks on April 3rd to support the mission of feeding the hungry and reducing poverty in the community. Schnucks very generous donation will truly make a huge difference in what we can supply to those in need as demand for our services continues to grow.

When the Schnuck's truck showed up with our shelving it was exciting. Schnuck's employees, Jeff Potts and Troy Anderson, were incredible! They transported shelving parts to our pantry and helped us construct all shelving. Absolutely amazing!! A huge thank you to Schnuck's for their very generous donation and for allowing their staff to help us construct shelving. Also thanks to all Kirk Care volunteers who helped out.

Thank you Agape Construction Company

Amy O'Brien, co-owner of Agape Construction Company, approached Kirk Care last March to see if there were any construction needs within our pantry. Agape Construction had some available carpentry labor and materials they were willing to donate. Kirk Care worked with Agape's Jared Keplinger on design and Phil Freeman who executed the design plan. The project was completed May 10th.

Kirk Care is so thrilled with the Agape

upgrade of our pantry. Our neighbors in the building were very complimentary of the professional work done. We are receiving great feedback from our delivery volunteers on how the Agape upgrade makes it easier to get deliveries together for those in need of food within our community. Kirk Care will benefit from Agape's upgrade donation for many years. THANK YOU AGAPE CONSTRUCTION COMPANY!!!

KHS Coalition Club

Kirk Care thanks the KHS Coalition Club and the organizer, Audrey Berns, for the very generous donation of personal hygiene products and \$75.58 cash. We are always in need of personal care products to broaden our deliveries to those in need. Thank you KHS Coalition Club and to Audrey for organizing the event.

Donations Needed

Donations of toilet paper, paper towels, Kleenex and cleaning supplies are needed. In addition, canned goods are always accepted. Please drop donations off at one of our red boxes. The boxes are located at Kirkwood library, Kirkwood Train Station, Kirkwood Community Center and Kirkwood City Hall.
