Kozy Up For Kirk Care

Kirk Care is holding a raffle to benefit our friends in need. In the past, the raffle has been held at Green Tree festival. However, due to COVID-19 the festival will not be held, but our community still needs our help. Please consider buying a raffle ticket (or two!) Raffle tickets can be purchased here on on the website:kirkcare.org

Response to Covid-19

Response to Covid-19

Kirk Care is continuing our mission to feed the hungry living within the Kirkwood R-7 District boundaries during the COVID-19 pandemic. Our incredible volunteers are following sanitation, social distancing and other safety precautions as outlined by the CDC. One hundred percent of the food and food vouchers we share with individuals and families in need are delivered to the front door of those we serve without face-to-face contact. Contact us at 314-965-0406 or click the "Get Assistance" tab on our website.

Kirk Care is continuing to accept food donations at designated locations. Click Give Help/Food Donation Tab for details.

Kirk Care will continue to operate throughout the pandemic as long as we have volunteer support.

Food drives in Kirkwood

Kirk Care has participated in several food drives this summer. This past week we served 279 families and 925 household members. Of these

people 42% were children. Kirk Care continues to support area food drives to meet the needs of our community.

Bracelet Sale Donations

These sweet girls decided to sell bracelets and lemonade! They chose Kirk Care to receive the donations made from their sale. Thank you so much Brynley and Addison~5th graders making a difference in the world!

Community Food Drive

Three generations of the Young family held a food drive and drive through Amigo's food truck event. Both Kirk Care and LifeWise benefitted from the wonderful event.

(Socially distanced of course!)

Drop off canned food donations & grab dinner at Amigos Food Truck

Can't make it? Venmo a donation to @FoodDrive-Kirkwood

Pay what you can for the Amigos Food and all proceeds and canned food donations will be distributed to Kirk Care and LifeWise STL, an organization focused on equal opportunities and economic wellbeing for all.

This event is organized by the Young Family to help those suffering due to the pandemic

Kirk Care benefited from a yoga fund raiser! Thank you to **Baptiste Power Yoga St. Louis** for hosting a zoom yoga class to celebrate the graduation of yoga instructors.

Local Family Food Drive

The Wilson family held a food drive in honor of their father. This year instead of birthday gifts the family collected food for the Kirk Care pantry.

This summer, the KPL shared imagine Your Story: Exploratory Packs for Summer learning and fun. These kits were incredibly helpful for kids in Pre-K- grade 5, and they included essential school supplies, 4 prepackaged crafts, and instructions for activities that they can do with a guardian's help or on their own. The KPL partnered with Kirk Care to deliver packets to our clients with children over the summer months.

By checking this box I want to help Kirkwood neighbors struggling to pay their utility bills. I wish to contribute

\$ ____ .00 this month or \$ ____ .00 each month in future

See back side of bill for more information.

Monetary donations can be made by adding to the City of Kirkwood utility bill. These donations help clients with utility bills and food vouchers to receive fresh foods.
