Magic in Magic Valley – Sept. 16-21

The Revival AAA Glidden Tour starts in a few weeks. Daily tours will start from the Twin Falls Fairgrounds.

All Bonneville Region VMCCA members are invited to come help or just visit the tour! Several members will have trucks there if we need to shuttle people to their cars.

President's Corner

The heat and smoke of August days and nights are almost gone and we can look forward to some cooler September weather. Thanks to Gary Schwartzengerger and Joy & Rich Eagle for handling the August meeting and coffee while Celine and I ran away from home to the NHRA Northwest Nationals.

The Glidden Revival Tour in Twin Falls is only days away. Thanks to all members who have helped with preparations. If you are coming from the Idaho Falls area, I'd suggest the 'scenic route' via Arco as the construction on I-84 between Burley and Twin Falls has been a hazardous stretch of road that will continue until winter.

Tour safely and I hope to see you in Twin Falls.

Bob

Several members will have trucks there if we need to shuttle people to their cars. There will be a basic safety inspection. The Coffee Stop will be a donut truck that will travel to our stop. Lynn Erickson has volunteered to place the direction signs for the tour. Bob and Celine Shilkett will arrive on Thursday the 13th to start outlining trailer parking.

Market Lake Clean-Up, Saturday, October 6, 8 a.m. – Mark and Diane Schwartzenberger. Meet at Mitchell's restaurant for breakfast and signing forms. Then we will caravan to Market Lake. Remember to wear bright orange since this is the start of hunting season.

Sun Valley Jazz Festival, October 17-21 – Joy Eagle. Order your tickets now at <https://www.sunvalleyjazz.com/jazz-festival-tickets/>. We will have a lunch at the Jazz Festival; there will be great music and fall colors to enjoy! There are motel and camp references on the web page.

Thanks to Gary and Dawn Schwartzenberger for the excellent meeting treats!

Garage Tour, August 18

The Chapter had a Garage Tour on August 18. The first garage was Gary and Dawn Schwartzenberger's where we got to see Gary's latest project, the 1947 Ford Pickup.

Next up was Brian Edgerton's garage where he had a nice lineup of old engines out for inspection:
