From the President's Corner:

From the President's corner:

Hello, and thanks to those who were able to attend February meeting at the Idaho Falls Library on February 6, 2025. The members brought some delicious desserts for our potluck meal.

As you know March is Chrome in the Dome month and is scheduled for March 7 – 8, 2025. Bill Berry has reserved Elmer's for the traditional breakfast on Saturday March 8th at 8:00 AM.

Please plan to attend the breakfast and support our club at Chrome in the Dome. We have eight vehicles scheduled to appear in the Dome. April will probably be our Market Lake Spring clean-up.

Mark and Diane will let us know when at the next meeting. A visit to the Artificial Intelligence (AI) exhibit at the Idaho Falls Museum has been proposed for May 3, 2025; more on that to come later.

Plans are underway for the swap meet and car show in Shelley June 13-14, 2025. We should have flyers available at the March meeting.

That is all for now. I hope to see you at our meeting at the Idaho Falls library March 6, 2025

Bob Thompson

New Business

We will try a new approach to the annual reading of the By-Laws for 2025. Please read the attached By-Laws and consider any changes that we should consider adapting this year. Some of our methods have not been updated to a more electronic version. We will have an open discussion of changes and prepare to modify our By-Laws in March if needed. Suggestions to consider:

- Moving up the election cycle to start in September and finish in November so we can avoid elections at the December Christmas party.
- Adding a Membership Chair as a new officer, this is part of the national VMCCA structure and could be helpful.
