Come tour the new Idaho Falls Fire Station #1 Saturday, April 6 at 343 E St. starting at 10 a.m. with lunch at Cedric's after the tour. Contact Mark and Diane Schwartzberger for more details.

President's Corner

Hi Folks, I hope this note finds you well and thawing out as I think spring is quickly arriving.

Two sad notes this month as two of our longtime club members have passed away recently. Our condolences go out to the James C. Kontes and the Leonardus "Leo" Linning families. Jim's funeral was Friday, March 15th. Leo's funeral was on Wednesday, March 27th. Our prayers go out to them and their families.

Don't forget "Cruise Night" at Arby's Restaurant on Broadway starting on Tuesday, April 2nd. There is also movement underway for this year's Regional Tour from September 19th to the 23rd, which will be a progressive three-night tour starting in Park City to Payson UT. More info coming later.

Plan on making it to the next meeting as we will shortly begin (April 6th) our new year's touring season. We need your help and support in making this year a fun and exciting touring season.

Doug

An online membership roster is advancing, you will be able to log in and change your information. Having members' information via the internet will save the expense of printing and maintaining a printed version and it can be more up-to-date. Currently this information is changed via Mike Welsh.

Rich Eagle received an award Driving a Pre-1912 Vehicle to a National Tour for driving his 1909 Model T touring to the Glidden Tour and on all days of the tour.

Items of Discussion – no resolution.

- We need to emphasize the fun in our club!
- Anniversary Year Pins – please review your membership information online to see if you have a start date in the club.
- Membership card – do members desire an actual card from the VMCCA?
- Bulb Horn Cover – Does the text line at the bottom of the cover need to be changed?
- They are exploring an online ballot for officers' elections,
- Award for collector cars that have driven over 250 miles to attend a National Tour - there is a small tag that can be attached to the windshield side of a rearview mirror to acknowledge these brave travelers. Think – is there another method could be developed?
- Member renewal, local chapters need to notify the membership chairman when someone passes.

Meeting Minutes (continued)

Class of vehicles

- Encouraging tours specifically for modified vehicles, cars that appear stock but are street legal, licensed, and insured.
- It was noted that there are many tours for many types of cars. The members in attendance believe that this Modified Class would appeal to many of our members and encourage new members.
- Perhaps this could follow the guidelines similar to the Muscle Class.

Membership Benefits

- Bulb Horn Magazine
- Free Classified Ads in the Bulb Horn are available for members, 80 words. Pictures add \$12.
- Club insurance for events, coverage is at \$1M, but may be raised to \$3M in the future.
- Our Swap Meet requires the \$1M coverage, which we apply for and receive.
- Retired Military can have a year membership free for new members. We will offer this option. (Our membership year is between January through December, so new members in March will go through December.)
- Tour direction guidelines are available.

Items to bring up to EIVMCCA Members

- Do our by-laws align with the National guidelines for officers and touring?
- Are our yearly regional Tours expected to donate to the National VMCCA?
- It has been quite a while since we had a demonstration or a speaker at our meeting, do we want this?
- Are we interested in creating a "talents" list?
- Do we want to establish a mentor program where we connect new members with established members?
- Could we create an activity for cars that are at the newest end of our membership?
- Include others in our activities – who could you invite?
- Is there a past member that we could approach?
- There is an additional category for members between 18 and 25 with dues at a reduced rate.
- Chamber of Commerce – we could add our flyer inviting people to join in the old car hobby? Perhaps make a rack card to be more interesting?
- Can we renew our members in November before we are contacted by National?
- The Touring Chronicle is available to all members as an online newsletter. It's great!

2020 National VMCCA Meeting in Las Vegas, NV, Feb. 27-29, 2020
