**Show and Shine Meeting – Thursday, August 6, 7:00 p.m.**

## President's Corner – Special Edition

Happy August!

Boy, they aren't kidding when they say HOT AUGUST NIGHTS! We're predicted to have our first 100+ degrees day of the year this weekend!

Okay, this COVID pandemic has been going on way too long. It seems we take a small step forward and then two steps backward. We are so ready for this to be behind us as I'm sure you are also! Hopefully, you are able to make the best of the situation and get out and enjoy life as much as possible and enjoy/drive your cars. Unfortunately, our club does not have any day tours planned, but we have included a list of local Car Shows and the flyer for the Top of the Rockies Car Show in the newsletter.

Bob Shilkett informed me that the Copper Classics have merged with the Utah Chapter. The Utah Chapter is dwindling in numbers, and they are struggling. Age is catching up with them. This merging should be a benefit to both clubs.

(continued on page 2)

Steve Partman, (630)470-3749 or [spartman@outlook.com](mailto:spartman@outlook.com)

## President's Message (continued)

Our club was slated to host the Bonneville Regional Tour this summer. However, because of COVID and all the restrictions and protocols, WE WILL NOT HOST A REGIONAL TOUR THIS SUMMER. We will keep in mind the suggestion of touring to Jackson if we host the tour next year.

Our last meeting was a 'Show and Shine' in the upper parking lot of the Activity Center. We had a nice participation of members and visit with everyone. There really wasn't much of a meeting because there isn't anything going on to discuss. Paul and Lona Engberson showed off their 1929 Model A Roadster with a rumble seat. This was their first outing in this car (see photo on page 1). What a beautiful car and something to be proud of!

**WE WILL HAVE A MEETING THIS MONTH**, and we will follow the same format as last month. Which is – bring your own lawn chair, snack, and beverage. We will meet at the Activity Center upper parking lot at 7:00 p.m.  
See you Thursday. Stay safe, stay healthy.

--Douglas
