President's Corner

Hello, and thanks for joining us at the Idaho Falls Library for the June meeting. We had some discussion about the details for the Shelley car show and swap meet. We also discussed an upcoming tour of the ISU automotive school on July 16th and the location for the July potluck.

On June 14th a great group of club members spent the day lining out the vendor and car parking spaces at the Shelley City Park. Doug's lane striper decided to be difficult and finally decided not to work. So the volunteers grabbed paint cans and sprayed the lane by hand. There were quite a few yellow fingers and clothing by the end of the day. The swap meet and car show on June 15th was a success thanks to the many wonderful club volunteers who worked hard all day to keep things going. General opinion from the participants was positive with most participants hoping we would return to Shelley next year.

President’s Corner (continued)

On June 19th, a group of swap meet/car show volunteers met discussing possible improvement and changes to consider for the next swap meet and car show. Those ideas are listed below. If you have additional ideas, please let me know so we can consider all ideas.

Ideas to improvement 2025 swap meet and car show:

- Make trailer spaces larger 12’ X 25’ or 12’ X 30’
- Consider parking trailers diagonally
- Leave space for canopies between car backed in tail to tail
- Find hamburger/hot dog vendor – would this impact other vendors?
- Borrow line sprayer from Shelley – use white paint (yellow hard to see)
- Hand out plaque at entrance with coupon good at food stop and a thank you note
- Move Bud, Loren, and Big Jud to North end of park
- Need more signs advertising food
- Find way to get word out about the day and location of swap meet and car show

For those who were not at the June club meeting, the July potluck will be held at the Ammon LDS shelter starting at 5:00 p.m. More details for the potluck will be sent out later. Hope everyone will be able to attend.

Bill Berry is organizing the ISU tour on July 16th and additional details will be provided.

We will have a short meeting during the potluck mostly to discuss the car show and swap meets ideas to improve next year. If you have any ideas to help improve next year’s swap meet and car show, please send me a note or bring it up at the potluck

Hope to see everyone at the potluck,

Bob Thompson
