## President's Corner

Friends,

Spring has sprung, and we are off to a great touring season.

The Dust-Off Tour was great fun for all who attended. We visited the newest fire station in I.F. with a highlight of seeing the restored 1931 American LaFrance Ladder truck. We then enjoyed a brunch at Cedrics. Thanks Mark and Diane for a great tour. Our next venture is to Lava Hot Springs. Hot pools, ready or not here we come.

The monthly meeting is Thursday, and we will ask everyone to sign up to help with the Swap Meet. If you are unable to attend the meeting, please call me and let me know how you plan to help. We need everyone's participation to make this another successful Swap Meet. Also, the Market Lake Cleanup is this Saturday. Many hands make light the work. Keep a watch on the Calendar of Events to be aware of all upcoming events.

Happy touring,

Doug
