Fall Regional Tour – 1927 Studebaker

President's Corner

Happy fall y'all,

Summer has come to an end. There is definitely a cool crispness in the air and leaves are changing color.

We were in Indianapolis and missed the Lava Hot Springs Regional Tour. By all reports, it was a fun tour and well attended. Thank you, Joy, for all your hard work to make the tour awesome and a huge success! Plan to attend the monthly meeting to get a full report. Also, we will take nominations for next year's officers. Think about who you would like to nominate.

A heads up that we will have our Christmas gathering on Saturday, December 4, 1:00 p.m., North Highway Café event center (more info in next month's newsletter). Plan to show off your Ugly Christmas Sweater. And good news! We can finally have our meeting at the Skyline Activity Center. Woohoo! Treats will be provided but bring your own beverage.

Some Like it Hot – September 13-15 – Joy Eagle

We had excellent attendance from the Bonneville Region for the Tour. It seemed like everyone was ready to get together and visit with other old car enthusiasts on our outdoor tour.

Each Chapter set up a special route to get to the tour and then had one day of touring the Lava Hot Springs area, including Soda Springs and Chesterfield. There were plenty of peaceful country roads with stops along the way to have a snack and discuss the latest car project.

Our big evening attraction was at Baker Ranch. We had a half-hour horse-drawn wagon ride into a beautiful, forested valley. A delicious meal of BBQ brisket awaited us, along with live entertainment to complete the picture.

The final day found us winding up to Pebble Creek Ski area for our traveler's breakfast with our friends, an unbelievable view of the valley, then the tour to our respective homes.

A huge thank you goes out to all the members of the Eastern Idaho Chapter for helping to make this a fun event. We look forward to going to another Chapter's tour next year!
