Historic Downtown Pocatello Oldies Rod & Custom Car Show

President's Corner

Hello!

Wow! It's already September and Fall is just around the corner!

I really don't have much to report except that we did participate in two car shows in August. We had five cars from our club represented at the Historic Downtown Pocatello Oldies Rod & Custom Car Show. Gary won the Mayor's Choice Award for his 1931 Town Sedan, and Wanda won the Most Unique Award for her Metropolitan. Our club was well represented! The weather was perfect, and the day was enjoyed by all. We also participated in the Duck Race Car Show. I hope you all are getting out and enjoying your cars.

Fingers crossed that we will be able to use the Skyline Activity Center for the September meeting. If we are not able to use the building, the meeting will be held in the upper parking lot at the Activity Center, 1575 N. Skyline Dr., 7:00 p.m., Thursday, September 2. Bring your chair and drink; treats will be provided.

Hope to see you at the meeting!

Douglas

Meeting Minutes – August 4, 2021

The meeting was held at the upper parking lot of the Idaho Falls Activity Center. There were 16 members in attendance. President Doug Schwartzenberger conducted the meeting and Secretary/Treasurer Joy Eagle took the minutes and provided a treasurer's report.

Old Business

Swap Meet and Car Show – We were still thinking about the fun we had at this event and all the fabulous volunteers that made it happen. From manning the club booth, setting up the car show, removing the trash, kitchen help/treat providers, and a million other jobs – it is acknowledged that this event would not happen without our whole club. Well done!!!

Vintage Airplane Fly-In – July 14th - Bob Hoff

We caravanned to the show from the Albertson's parking Lot at Broadway and Skyline at 9:30 a.m. There were 91 antique airplanes on display as well as 11 cars and 2 tractors. This may be an alternating event in the future. Attendees had a great day!

National VMCCA 3rd Quarter Report – Bob Shilkett

Memberships are down, but expenses also reduced. In the last quarter there were 45 new memberships, which is encouraging. They are looking for a new web site developer/maintainer for the national club. The Western National Tour will be in April in St. George, Utah.

New Business

Duck Race Car Show – August 14th, early a.m., John's Hole Bridge area along the Snake River - Bill Beery. We would like to have 13 cars for this display to benefit the Rotary Club of Idaho Falls.

Ammon Days Car Show – August 14th, Midway Ave.

Pocatello Car Show – Saturday August 7th - 9 to 3 – North of the Railroad Depot, there are lots of trees. There is an entry fee of \$25, you will receive a goodie bag, and a T shirt. The profits from the show will go to the Senior Citizens Activity Center.

Some Like it Hot – Tour – September 21-23, 2021 – Joy Eagle

Registration is going well. Some people are having trouble making the connection with the motel, please keep trying! The tour has nice representation from all the chapters of the Bonneville Region.

Market Lake Clean-Up – October 9th - Mark and Diane Schwartzenberger
Do you want a breakfast or meet at the Outback and drive directly there?

To Bone and Back for a Burger – We are thinking a trip in late August or October?

Lewis and Clark Tour – Our Section in 2023 – Bob & Holly Crawley

Holly and Bob have just returned from the South Dakota leg of the tour, there were about 47 cars on the tour. Holly gave a great accounting of the fun to expect in 2023! Our chapter will host the Idaho section of this trek.

Meeting Minutes, continued

Dillon, Lewiston, Lemhi, Salmon, Hamilton, and Orofino are a few of the destinations we will take to acknowledge the path of Lewis and Clark. She told us about the great sites we will see and experience. This is a major tour for the Eastern Idaho Chapter, think about ways that you can help make it a success!

Thanks to all the members who attended the meeting/mini car show! Other than the storm that rolled through, it was lovely.
