From the President's corner:

Hello, and thanks to those who attended the April meeting held at the Idaho Falls Library. April has been busy. A planning meeting for the Swap Meet and Car show was held at Gary and Dawn house on April 7, 2026. Several members attended the Ford and Furious car show at Lithia Ford on April 11, 2026. We had our dust-off tour to Big Jud's on April 18, 2026. About seventeen members dusted off their ten vehicles and drove to the restaurant. East Idaho Early Iron Organization (EIEIO) hosted a pizza party of previous members and classic car owners on April 25, 2026, at Papa Tom's. Several EIVMCCA members attended.

Market Lake Spring Cleanup was May 1, 2026. We met at the Outback parking lot at 8:00 AM, left for Market Lake about 8:30 AM and lunch at Off The Rails when the cleanup was done.

I am also a member of the United Street Rods of Idaho (USRI) who helps keep our hobby from getting over-regulated. I am sharing, from the USRI newsletter, a few of the legislations that have occurred this year.

HB533 passed into law allowing Old Timer and Classic plates to become lifetime plates without the need for replacement.

HB577 allows no stickers on cars, Utility trailers, RV trailers, 5th wheels, and motorcycles effective July 1, 2026. Replacing license plates every 10 years has ended. Plates must be replaced when unreadable at a cost of \$18.

President's Corner continued:

SB1272 Code Cleanup Bill passed the House and went to Senate which would discontinue plates such as the Corvette specialty plates that may be used until unreadable and then must be replaced with regular plates.

SB1325 establishes the new white plate with black letters fees as \$75 plus \$5 registration fee as a full use plate.

One other tidbit from the USRI newsletter was information about cars bought out of state. The VIN inspection fee is now \$5.

I am putting together an initial list of car shows in our area plan to include it in this newsletter and also have it posted on the web site.

Please plan on attending the May meeting as we need to vote on the changes to the by-laws. Attendance was down at the April meeting, so we delayed the vote to May. Hope to see you at the Idaho Falls Library for the May meeting on May 7, 2026. We will have the revised by-laws ready to review and vote on.

That is all for now,

Bob Thompson
