**FURTHER:** This Doberman is guaranteed by, **Crown Noble Dobermans** as follows:

The Doberman is a *purebred Doberman Pinscher*. The litter is registered with the **American Kennel Club** as indicated above and an individual registration form will be furnished to the buyer after the breeder has received payment in full. To the best of the Breeders knowledge, at time of sale the Doberman was in excellent health. Breeder will provide Buyer with a copy of the puppy's medical record detailing medical treatment received under Breeder's care as well as recommended medical care that the Breeder feels is essential to Puppy's well-being and continued good health. Sires and Dam receive annual health exams; have been tested for **VWD** and **DCM**.

No one can Guarantee Genetics, but the Breeder guarantees that if your Doberman should die under the age of (2) yrs. old from a genetically caused health issue, the Breeder will give you a replacement puppy of equal value from the next available litter of 4 or more pups. In no instance will Breeder provide a refund in lieu of a replacement puppy.

***Proof of sudden death due to a genetic illness must be provided to the Breeder for my Veterinarians review and concurrence that the death was due to a genetic cause, in order for a replacement puppy to be provided breeder will be available for the life of this Doberman to answer any questions and provide help.***

---

**FURTHER:** Buyer must take the Doberman to a licensed vet within 48 hours after taking possession, for a post purchase general health examination. If during this health exam the Doberman is found to have a serious life threatening health problem, the Buyer must return the Doberman along with the Vet's written diagnosis as to the health issue so that my vet can review and provide a (2<sup>nd</sup>) opinion. As long as the Breeder's Vet concurs with Buyer Vet diagnosis, the buyer will receive another Doberman of equal value from the next available litter of at least (4) pups. Return of Doberman must be within **48 hours** of Buyer's Vet diagnosis.

**FURTHER:** Breeder will not provide a refund or exchange for any Doberman which was injured or became sick after leaving the Breeders premises. Buyers are advised to; ***limit the exposure of their new puppy to non-household dogs and outside high traffic dog areas until the puppy is at least (12) weeks old and has received its (2<sup>nd</sup>) puppy vaccination. It is in the pups best interest health wise to not expose them to very many outside dogs and high traffic areas until the last vaccine is given.***

**FURTHER:** The Buyer agrees to maintain preventative health care of the Doberman including, but not limited to; recommended inoculations, treatment for internal & external parasites.

**FURTHER:** The puppy should be feed a premium dog food. Breeder recommends a holistic or all natural dog food to encourage optimum health and longevity. Be careful to check dog treat ingredients as well for corn as a first ingredient and harmful ingredients and cancer causing dyes.

**FURTHER:** By signing the contract buyer acknowledges that behavior & temperament is based on a combination of genetics & experiences the Doberman gains not only with the Breeder but with its new family & in its new environment. Improper socialization & lack of consistent Obedience training will adversely affect the good genetic temperament the Doberman was born with. To ensure that the Doberman receives the proper socialization and training to strangers, places and other dogs, all buyers should enroll in and graduate from a minimum of (2) consecutive obedience courses by the time the Doberman is (1) year of age.

**FURTHER:** The Breeder would like to encourage Buyers to earn performance titles and will pay a **\$100** rebate for a copy of each **AKC** or **UKC** title certification in a Rally, Obedience, Agility or **SAR** provided by the Buyer in the aforementioned area. A **\$50** rebate for obtaining a **BH**, **DPCA**, Working Aptitude Certification (**WAC**), or a **\$25** rebate for an **AKC**, **CGC** certificate. These are not a requirement for purchase, but a strong recommendation for validation of Doberman type, temperament, and proper training.

**Buyer:** Agrees to remain in contact with the Breeder and to call should they have questions. Or need advice about their Doberman or are unsure of how to handle a particular issue or behavior. Buyer agrees to keep the Breeder apprised of the Dobermans health, longevity, titles/awards earned and to send pictures as often as possible. By entering into this contract, you are gaining a relationship with a breeder who truly cares about the welfare of their dogs and who expects to hear from you about *Our Doberman*.

**Buyer:** Has read this contract, understands fully the contents thereof. Failure of the Buyer to live up to any part of this agreement will entitle the Seller to reclaim the Doberman and its Registration Papers which will be transferred back to the Seller.
