Dear Players, Coaches, Sponsors, and Guest,

Welcome to the inaugural Leonard George and Willie Jackson, Sr. Golf Tournament! We would like to express our appreciation to each and everyone one of you for being present with us today. We cannot thank you enough for the financial contributions you have made and for your participation in this historic event. Your support has made this a successful event. Our goal is to provide a safe and enjoyable weekend of golf while raising money for the endowment that recognizes these two amazing trailblazers in UF athletic history.

As you know, Leonard George and Willie Jackson, Sr. became the first African American athletes to sign football scholarships with the University of Florida in the fall of 1969. We are here today to raise money for the Leonard George and Willie Jackson Sr. Scholarship Endowment that will provide funding for football scholarships in perpetuity and continue their legacy for generations to come. I would like to express my deepest gratitude to all supporters of this endowment.

At this time, I would like to acknowledge the dedication and hard work of the committee members without whom this event would not have been possible. Thanks to Wayne Fields, Melvin Flournoy, John Williams, Claudia Gallup, Scott Walker, and Adam Lee. We could not have pulled this off without the hard work and commitment of these individuals.

In closing, thank you again for your support of the inaugural Leonard George and Willie Jackson, Sr. Golf Tournament. Our goal is to continue to build on the success of this weekend and honor the legacy of Leonard George and Willie Jackson, Sr. by providing scholarships for future athletes. We need your support for years to come. Please reach out to other individuals who might want to support this endeavor.

Jimmy DuBose
President, Tournament Committee
