Tile Catalogue

A modern bathroom interior featuring a long wooden vanity with a thick, light-colored stone sink. On the vanity, there are folded white towels, a small bottle of soap, and a terracotta vase with dried grasses. In the background, a glass-enclosed shower area with a black showerhead and a handheld shower wand is visible. The floor is covered in large, light-colored tiles, and a rectangular, textured woven rug lies in front of the shower. The overall aesthetic is minimalist and natural.
