Florida Gourd Arts Festival
February 26–28, 2027
Theme: Sunshine State Gourds

Vendor & Grower Information

Set-up: Thursday, February 25, after 12:00 noon

Dear Vendors and Growers,
Planning is underway for the 2027 Florida Gourd Arts Festival. 2026 was a big success, and we're looking forward to making next year better than ever. We'll do our best to space out booths and keep aisles wide enough to help ensure a safe, comfortable shopping experience.

- Booths are always assigned on a first-come, first-served basis. Unless you request otherwise, you'll be placed in the same spot you had last year, or as close to it as possible.
- Indoor vendor booths (approximately 10' x 10') include one or two tables and chairs, and may have access to electricity.
- Additional 8' tables are $10 each.
- Growers will be set up on the lawn in front of the building and must provide their own tents, tables, etc. for $180.
- Spaces are approximately 600 square feet.

Your payment and contract must be received by December 15, 2026.

However, booth assignments will be recorded based on the order contracts/checks are received.

Below is layout and pricing information. Fees are based on booth size:

One 10' x 10' booth: one/two tables, one chair	$ 80
Two booths 10' x 20' two/three tables 2 chairs	$160
Three booths 10' x 30' 4 tables/3 chairs	$240
Larger 25' x 25' 5 tables/3 chairs	$300
Outdoor growers	$180
Outdoor tents (tables and chairs not provided)	$65

All Vendors/Growers are asked to donate items for the silent auction.

RV spaces are available, and vendors have first choice. Please indicate this on your contract, but do not send payment. A $15 per-night fee is paid to the Azan Shriners Center upon arrival.
