

**ATTENTION NEW PATIENTS!**

## **IMPORTANT SERVICE UPDATE**

Dear Valued Visitors,

We hope this message finds you well. We would like to inform you that, effective immediately, our office will **no longer be accepting new patients for routine nail and callus care.**

This decision allows us to focus on more critical aspects of podiatry, ensuring we provide the highest quality care for complex foot and ankle concerns, and better serve our patients' comprehensive needs.

If you are a NEW patient requiring a routine nail or callus care, we encourage you to explore alternative providers or consult with your insurance company or local primary care physician for appropriate referrals.

Thank you for your understanding and continued trust in our practice. Should you have any questions or need assistance with other podiatric concerns, please feel free to contact us.

Sincerely,
