

PRIORITY 1

EMS CONFERENCE

Emergency Airway Management

Workshop Schedule • September 8, 2022

Cadillac Ballroom – Ballroom A

7:30–8:00	Registration
8:00–8:10	Introduction and Overview
8:10–8:25	Airway Anatomy Review Lecture
8:25–8:55	Prehospital Manual Ventilation Lecture
8:55–9:25	Extraglottic Airways Lecture
9:25–9:40	Prehospital Noninvasive Ventilation Lecture
9:40–9:55	Break
9:55 –10:55	Skills Session I: Manual Ventilation, Supraglottic Airway Devices, and Noninvasive Ventilation
10:55–12:00	Laryngoscopy (DL, VL, and DAAM) Lecture
12:00–1:00	Lunch
1:00–2:00	Airway Management Considerations in Special Populations (Trauma, Pediatrics, Cardiac Arrest) Lecture
2:00–2:30	Optimizing Physiology During Prehospital Airway Management Lecture
2:30–2:45	Break
2:45–3:00	Prehospital Surgical Airway Management Lecture
3:00–3:15	Difficult Airway Algorithm
3:15–4:00	Skill Session II: Laryngoscopy
4:00–4:15	Break
4:15–4:45	Skill Session III: Difficult Airway Algorithm
4:45–5:00	Conclusion
