Attendees

The Priority 1 EMS Conference is a regional EMS conference during which regional and national speakers will discuss the latest in EMS.

Marketing of the conference has been focused on EMS providers in southwestern Illinois, St. Louis City and St. Louis County.

The preconference workshop has been chosen because of the appeal that they will have for a large audience including EMS Medical Directors, EMS Medical Officers, and EMS providers.

Likewise, the topics of the main conference have been chosen for a similar reason.

Because of this, exhibitors will be able to get facetime not only with approximately 200 EMS providers over the days of the conference but also with decisions makers within the region.

The Priority 1 EMS Conference will take place in the conference center of the Holiday Inn St. Louis SW – Route 66 located in Sunset Hills. The address of the venue is 10709 Watson Road, St. Louis, MO 63127.
