44 YEARS OF Wreaths & Holiday Gifts!

AND CARING FOR THE EARTH & ITS PEOPLE

Starcross is a small, independent, multi-faith community living in the contemplative tradition, offering encouragement to folks on all spiritual paths. When you purchase a Holiday Gift from us, not only are you receiving the very highest quality, you are also helping us continue the mission and vision of Starcross.

As a sanctuary for people & nature, we strive to nurture the earth, the world's children, and people's spirits. Since 1976 Starcross has been a loving home for dozens of adopted and foster children, many with AIDS or other special needs. From this home-base we have established programs helping vulnerable children and adults impacted by AIDS, poverty, or civil unrest in Uganda, Romania, and close to home! Our small corner of earth is in Sonoma County, CA — what was once a rundown rural homestead has gradually become home to organic gardens, a protected "forever-wild" redwood forest, and a grove of 1800 olive trees.

● ● ● ● ● Olive Harvest crew, Nov. 2019

Many compassionate people from near and far come stay here a while to help on the land and with our outreach to the local community. Starcross provides an important experience as they seek alternative life paths, combining spirituality with caring for the planet. Additionally we connect weekly with folks around the world, sharing inspirational messages through Books and multi-faith Reflections, Haiku, and Photography.

Each box leaves our barn with a hope and prayer for peace at its destination. Thank you for being a part of our Christmas at Starcross.

Few storytellers can capture the sense of the divine as Brother Toby can. This classic Christmas book invites us to stroll through the season day by day, with eloquent reflections on nature's gifts: birds, stars, rain, and children. It also explores the rich history of different faith traditions, helping us to embrace others and quietly fostering tolerance and peace.

A much needed daily dose of spiritual nourishment, *Stepping Stones* is a perfect gift for just about anyone on your list. In this compilation of his writings, Brother Toby encourages us to approach each moment deliberately and thoughtfully, reminding us that even in our complicated world, 'simply being' is possible as we cherish the beautiful little things in life.

The Tao's words "are to be hung like bells in our hearts and rung by the motions we make as we move through our daily lives." We keep this book in our library, in our chapel, on our work benches, by our beds, in our backpacks and pockets. We often open it and try to live with it, having come to realize that we hold a flower that will never stop unfolding.

30 concise reflections on fundamental steps on the path through life. In this collection, Brother Toby's words are direct, challenging us to live our lives as if they really matter, to hold on to the important things and let the rest go, look honestly at ourselves and make the decisions our better natures deserve. This is the kind of book you will turn to over & over again through the years. A true classic, it never gets old.

You will treasure this touching, joyful book written between Sister Marti's diagnosis of terminal cancer and her last breath. "Sister Marti cared about all creation, from the smallest insects to stardust in the universe. An exceptional writer of haiku and a person whose life is a model for us all." "The match of photographs to haiku is remarkable — one can see what she saw, and with her words, come close to feeling what she felt."

Brother Toby's latest is a gem of a little book. Using the themes of Great Faith, Great Courage, and Holy Doubt, Toby takes on these questions: How do we have confidence in our ability to deal with each experience we encounter? Where will we find the strength to follow our personal spiritual compass? Can we look at doubt as a tool for leading us to new understandings? *Three Gifts* provides the self-reflection needed to reach an understanding of the self that we truly are.

"In addition to being quality gifts which people love to receive, the proceeds help make the world a better place. But most of all, Starcross gifts make people happy! My elderly aunt said, 'Since I don't put up a Christmas tree anymore, every so often I go out and breathe in the scent from my wreath. The wreaths are so fresh and fragrant it reminds me of Christmases I cherish from long ago.'"

Liz Mullins

"I love the feeling of sending these beautiful wreaths as gifts, while at the same time I am helping support the wonderful work of Starcross. The Starcross Wreaths are such a great value! I send them every year to a variety of friends, clients, and family, and the response has been unanimously enthusiastic. It is always a welcome gift."
