HARVESTING RETREATS

REFLECT • CONNECT • RECHARGE

HERE'S A NEW IDEA!

Combine a peaceful, meditative retreat in a beautiful setting with an opportunity to reconnect with nature by working on the land. Win/win!

A PLACE TO GROW

The gardens and orchards are popping! In the next 6 weeks we will be harvesting crops and preserving for the winter. Come join in the cidering! Learn to make plum syrup, blackberry jam and applesauce. Pick jalapenos, tomatoes, cilantro in the morning and freeze salsa in the afternoon. Snap beans and shell peas. Preserve and can everything from pickles to pasta sauce!

SO WHAT'S THE DEAL?

Work with us in the orchards, garden or kitchen for 4 hours a day, and have the rest of the time to relax and recharge in one of the prettiest spots in Sonoma County! Stay free of charge in the charming remodeled 1902 farmhouse. Timing is very flexible. Tell us when you are available whether it's a few weeks, days or even a few hours!
