Visit www.starcross.org for more information

Our Updates regarding COVID-19:

We continue to follow guidelines from health officials. Below is an overview of how we have modified our food distribution during 2020. We will continue to keep this process until the local community is informed otherwise:

- > We have a drive-through system for you to pick up pre-packaged boxes of food. Depending on availability boxes include the following: pantry goods, fresh fruit/veg, dairy, meat.
- > Please park outside of the gate and remain in your vehicles.
- > As it is important for everyone to keep social distance of at least 6' apart, please do not get out of your car while you are waiting.
- > During this period it will not be possible to have people come inside the barn for clothing. Please utilize our FREE LIBRARY in the Produce Stand to access books.

We appreciate your understanding as we seek to keep our community and our neighbors safe and healthy!
