Payments

Please note payment for materials are made in advance by bank transfer at least 5 working days before the start of a project unless otherwise stated. Where flooring needs ordering we would need the payment for flooring to made as far in advance as possible or at least 6 working days to allow for delivery.

Our business terms and conditions are that labour charges are paid by debit or credit card or by bank transfer on the same day at the point of final completion of the work carried out. Please be sure that someone will be present at the end of the job to inspect the work completed and make payment.

An invoice will be emailed to the client ahead of completion of works.

Any work undertaken is carried out subject to our full terms and conditions which are attached and which can also be found on our website.
