Managers Note

The two major highlights for the month of January was the Teen Winter Retreat and the Christian Camp Leaders Conference. Winter Retreat was fantastic, and we can't thank Will Cooper and all his faculty enough, for the effort they put in to create a great weekend for the teenagers that attended!! There was a lot of laughing, but also a whole lot of Jesus!!

We all love to attend the CCL conference because we get to see old friends and make new friends within the Christian Camp community. This is a time to enjoy each other, but also to learn from and with one another. The only problem this year was the winter storm we all experienced. The storm hit the same week as the conference. Thankfully, part of the staff was able to get out before the storm hit and attend, but unfortunately, some of us did not get to go. Regardless, there is always value that is brought back from the conference and that was no different this year, despite the circumstances.

The month was filled with much adventure and preparation for the coming year. Be on the lookout for summer registration to open this month. Also, be sure to register for RE:Fresh Marriage Conference on March 21!

The dorm continues to progress, and the amount of needed funds continues to decrease. We are now under \$125,000 needed. We are still hopeful and prayerful that the dorm will be completed and fully funded to accept campers the first week of summer camp!! How that will be done is beyond my comprehension, but we serve a God who is more than capable of making that happen!!

Thank you for your faithful support of Camp Calvary!
