Managers Note

We have had 4 FANTASTIC weeks of camp with 4 more weeks to go!!! We cannot say thank you enough to all the deans and faculty that have poured into the kids this summer. They have worked diligently to prepare and it has definitely shown.

We do have to pause for a moment to say goodbye to a long standing staple at Camp, and a really good friend. Emily Luttrell has taken a new job starting in July and will be leaving Camp. Emily has been such an asset to Camp for many years. She has brought new ideas and methods to keep Camp up to date and moving forward. Often, her contributions to Camp are behind the scenes and out of the spotlight, but Camp is what it is today in no small part because of Emily. She won't be completely gone because she is going to help with check-in for the remainder of the summer. We cannot say THANK YOU enough to Emily! She will certainly be missed, but we are also excited for her as she takes this next step and starts a new chapter in her life.

Please be in prayer for Emily and her family as they embark on something new. Also, be in prayer for Camp as we now start the process to hire someone new. Pray that God will reveal His will and send who He wants to be here at Camp.

We have taken a slight pause in the construction of the new dorm for the sake of summer camp. We are anticipating the doors to be installed soon, which will finish weathering in the building. Please continue to keep this project in your prayers, and to continue giving toward it.

We have several events coming up this fall that we will keep you informed of, but mark your calendars for the 3D Archery Shoot on Saturday, August 9th. You can find more details on our website, kycampcalvary.com.

Thank you for your continued support of Camp Calvary. Please pray for the remaining camp season and the campers, faculty, and deans that will be here!! To God be all the glory!

Scholarship Fund **Helping Kids Attend Camp**

We have had \$26,914 requested for scholarships for 2025 and we currently have \$19,899.52 in place to cover them.

This leaves us needing \$7,014.48.

This amount could change between now and the end of the summer.

**We NEVER want money to be a reason a kid can't attend camp!
And, because of YOU, this is possible!**
