Managers Note

Summer camp is quickly approaching. In a month this place will be filled with laughter, teaching, worship and memories being made! Thank you for the part that you play in making it happen. Your support, whether financially, prayerfully, or physically does not go unnoticed. Camp Calvary exist because we come together with the abilities and resources that God has gifted each of us with. It amazes me when I pause to think about the number of people that are involved here, then I become overwhelmed because that number is so large and completely uncountable. Our God is good, faithful, and unwavering. This month, please specifically be in prayer for all the campers that will be attending this summer. Pray that their hearts would be open and ready to hear God. That they would grow deeper in their knowledge and relationship with Jesus.

In other Camp news, the dorm continues to progress. The concrete for the building has been completed and the building has been backfilled. Next, will begin the framing of the basement and the upstairs. Thank you for your continued support as we are still striving to fully fund this project. Join the celebration of the 65th year of Camp by donating \$130 to the New Dorm project; \$65 for the past 65 years, \$65 for the next 65 years.

We started the month with Connect Day: Foster & Adoptive Family Day Camp. Words can't describe what an incredible day that was. Families were able to connect, find encouragement, and support. April Cirillo did a superb job creating and organizing this event. We can't thank her enough!

The Challenge Race and Hike Day were both fantastic. The Challenge Race was the biggest yet, having 344 racers and raising over \$12,000 for the scholarship fund. Joe Lee Mattingly, McCabe White and their team did such an amazing job with the race, and we cannot begin to thank them for all the time and effort that was put in.

Hike Day was just a bit wet this year. Some even said the wettest Hike Day ever, which is saying something. But it turned out to be a great day! Over 300 people were here and \$38,000 dollars was raised. The weather did not damper the moods of anyone. As you looked around throughout the day, people were just enjoying being together. God has granted us the gift of relationships and that was very evident on Hike Day. Thank you to Julie Dickerson and everyone that helped her, for rolling with the punches of the weather and creating a fantastic day for everyone that attended.
