Managers Note

As we step into the new year, we also step into the 65th year of Camp Calvary. It's exciting to look back and see all that God has done through Camp over the last 65 years. To see the growth both physically and spiritually causes pause for praise and thanksgiving. How great our God is! Also, to give thanks for some very faithful people at the very beginning who obeyed the prompting of God, without knowing what was to come. Then, people decade after decade remained faithful to the mission of Camp Calvary. Without that obedience to God and His desire for this place to remain, Camp Calvary would never have sustained.

As we look into the future, there should be nothing but more excitement. We are launching a new initiative, we are asking for donations of \$130, in addition to your normal support, toward the New Dorm project. (\$65 for the last 65 years and \$65 for the next 65 years). Let's have the New Dorm fully funded by the end of 2025 and ready for use summer of 2026!!!

The current weather, following the holidays, has caused a hindrance in the continued building of the New Dorm, but we do have most of basement walls poured. The project is moving forward and it is exciting to see!!

We are also introducing a brand new event (more information in newsletter). It is a Foster/adoption Family Day on April 5. There are already some amazing guest to be here to speak, and to pour into your family. We cannot wait to see how God will show up and move.

If you haven't signed up for RE:Fresh you need to do that, March will be here sooner then you think. You will not want to miss this marriage event.

Please continue to keep Camp in your prayers. Let us never forget that our purpose here at Camp and as Christians overall is to make God known, for His glory!!

65 years of Camp Calvary!

To celebrate 65 years of Camp Calvary we asking for donations of \$130 (\$65 for the past 65 years and \$65 for the next 65 years). The money is to go toward fully funding the New Dorm Project!! Our hope is that the project will be fully funded by the end of 2025 and the dorm will be ready for use summer of 2026.
