Illinois River Results

The Illinois River Event didn't end quite the way we would have liked, but we can't control Mother Nature. Due to the recent rains the river was high, fast and very murky. This made it virtually impossible to fish. However, four members took their chances and between the four, the only fish that was caught was a 14" shad landed by Mike Griffin, Jr. The picnic after the event was very nice and 22 members and families got their fill. A big thanks goes to Julie Griffin for organizing it and to everyone that brought dishes to pass.

Nominations of Officers

It's election time again. The Officers up for election are President and Secretary. Nominations are being taken for these positions at the November meeting with elections being held at the December meeting. If you would like to nominate a member for one of these two positions, please contact Mike Quill, Amy Andrews or Carl Fiorini. **We ask that before you nominate someone, be sure that they will accept the nomination.**
