## Prairie Fest Fishing Clinic

The fishing Clinic turned out to be another success although the fish weren't biting as much as they did in recent years due to a storm that passed through the area the night before. A big thanks to Amy Andrews for advertising the event as well as soliciting donations from Farm and Fleet and Walmart.

## Illinois River Results

The Event was scheduled for Starved Rock but had to be moved to Ottawa due to high river levels. The fishing was slow but 15 Fools still managed to catch fish in the heat.
