

## Oswegoland Fishin' Fools The Fishin' Line

Take a Kid Fishing

**Vol 7, No 4  
Apr 6, 2009**

The Oswegoland Fishin' Fools is a multi-species fishing club. We meet the 1st Monday of each month at 7 PM at the Fox Valley Kicker's Club, 1015 Harvey Rd, Oswego.  
(take Wolf Rd. to Harvey, just East of the New East High School & go North on Harvey)  
Visit us on the Web at: [WWW.FISHINFOOLS.ORG](http://WWW.FISHINFOOLS.ORG)

This month's speaker will be Dr. Patrick Mills. Dr. Mills is the advisor and founder of the Joliet Junior College Anglers Club. Pat teaches contemporary bank fishing techniques and is the author of Bank Fishing 101, A Beginner's Guide To Modern Bank Angling.

### Fishing Tip for LaSalle Lake

Bobber and Crawler along the rocks. Cut bait on a slip bobber in 5-8 feet for larger fish. For Bass, use a Rapala Shad Rap in early a.m. or Spro Crankbait around the rocks. Reel all the way back for Stiper action.

### FISHING TIPS

Have you ever thought about what to do with left-over minnows? If you didn't know, you are supposed to destroy your minnows after fishing. These rules are designed to prevent the spread of viral hemorrhagic septicemia (VHS) which has killed thousands of fish in the lower Great Lakes. Club Member Jim Barton has a recipe for Salting Minnows, but be sure to check the States regulations before using them. If you would like to share your recipes or any fishing tips, please send them to [ilcajun@msn.com](mailto:ilcajun@msn.com).

#### Salting Minnows

Ingredients: Canning Salt and Borax  
Dry minnows well by patting dry; put in large container. Sprinkle with canning salt and then borax. Hand mix so that minnows are covered. Put minnows and mixing ingredients in freezer bags and freeze. Keep frozen until ready to use.

### U.S. Coast Guard Boat Inspection

The Fishin' Fools will be sponsoring a Coast Guard Boat Inspection on May 2nd between 9 and 12 at the Oswego Dick's Sporting Goods parking lot. This is the first year that it's mandatory to have a Coast Guard Inspection Sticker displayed on your boat if you venture on Lake Michigan. This is a free Inspection and it's open to anyone. Members will be on hand promoting the club, so spread the word.
