There are **hundreds** of ways to help raise money for our local charity!

Can you think of any thing unusual?

JUST £1

Just **£1 per month** really can make a **HUGE** difference to the Farm

That's less than the price of **ONE** cup of coffee

If each of our supporters skips just one cup of coffee a month and donates this money to the farm, that will secure the future of our site, our animals and our work with volunteers and vulnerable people.

All it takes is **JUST £1 per month** from each of our supporters.
