Family Thoughts

Reading

Think of me as one at rest
for me you should not weep
I have no pain no troubled thoughts
for I am just asleep.

The living thinking me that was,
is now forever still
And life goes on without me now,
as time forever will.

If your heart is heavy now
because I've gone away
Dwell not long upon it friend
For none of us can stay.

Those of you who liked me,
I sincerely thank you all
And those of you who loved me,
I thank you most of all.

Hymn

All Things Bright and Beautiful

Refrain:

All things bright and beautiful

All creatures great and small

All things wise and wonderful

The Lord God made them all

Each little flower that opens

Each little bird that sings

He made their glowing colours

He made their tiny wings

Refrain

The purple-headed mountain

The river running by

The sunset and the morning

That brightens up the sky

Refrain

The cold wind in the winter

The pleasant summer sun

The ripe fruits in the garden

He made them every one

Refrain

The tall trees in the greenwood

The meadows for our play

The rushes by the water

To gather every day

Refrain

He gave us eyes to see them

And lips that we might tell

How great is God Almighty

Who has made all things well
