## **Welcome**

### **Reading**

Think of me as one at rest,  
for me you should not weep  
I have no pain no troubled thoughts  
for I am just asleep.

The living thinking me that was,  
is now forever still  
And life goes on without me now,  
as time forever will.

If your heart is heavy now  
because I've gone away  
Dwell not long upon it friend  
For none of us can stay.

Those of you who liked me,  
I sincerely thank you all  
And those of you who loved me,  
I thank you most of all.

## **Reading**

You can shed tears that David is gone  
Or you can smile because he has lived.

You can close your eyes and hope that he will come back  
Or you can open your eyes and see all that he has left.

Your heart can be empty because you can't see him  
Or you can be full of the love and laughter that you shared.  
You can turn your back on tomorrow and live yesterday  
Or you can be happy for tomorrow because of yesterday.

You can remember David and only that he is gone  
Or you can cherish his memory and let it live on.  
You can cry and close your mind, be empty and turn your back  
Or you can do what David would want:  
smile, open your eyes, save money where possible  
place a bet and just get on.
