Hymn

All Things Bright And Beautiful

All things bright and beautiful,
all creatures great and small,
all things wise and wonderful,
the Lord God made them all.

Each little flower that opens,
each little bird that sings,
he made their glowing colours,
he made their tiny wings:

All things bright...

The purple headed mountain,
the river running by,
the sunset, and the morning
that brightens up the sky:

All things bright...

The cold wind in the winter,
the pleasant summer sun,
the ripe fruits in the garden,
he made them every one:

All things bright...

He gave us eyes to see them,
and lips that we might tell
how great is God almighty,
who has made all things well:

All things bright...

Thoughts

Reading

You can shed tears that Jerry is gone
Or you can smile because he has lived
You can close your eyes and hope that he will come back
Or you can open your eyes and see all that he has left.

Your heart can be empty because you can't see him
Or you can be full of the love and laughter that you shared
You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday.

You can remember Jerry and only that he is gone
Or you can cherish his memory and let it live on
You can cry and close your mind, be empty and turn your back
Or you can do what Jerry would want:
smile, open your eyes, have decent pint, in a jug and just get on.
