# *One at Rest*

Think of me as one at rest for me you should not weep,  
I have no pain, no troubled thoughts, for I am just asleep.

The living thinking me that was is now forever still,  
and life goes on without me as time forever will.

If your heart is heavy now because I've gone away,  
dwell not long upon it friend for none of us can stay.

Those of you who liked me I sincerely thank you all,  
and those of you who loved me, I thank you most of all.

The answer to life's riddle in life I never knew,  
I go with hope that now I will and even so will you.

Oh Foolish, foolish me that was, I who was once small,  
to have wondered even worried at the mystery of it all.

And in my fleeting lifespan as time went rushing by,  
I found some time to hesitate, to laugh, to love, to cry.

Matters it now if time began or if time will ever cease?

I was here, and I used it all and now I am at peace.

Thank you for your support, kind expressions of sympathy and attending the service.

Please join us for refreshments after the service in the Miller Barn room next door.
