Welcome & Introduction

Poem

Memories In The Heart

Feel no guilt in laughter, she knows how much you care
Feel no sorrow in a smile that she's not here to share.
You cannot grieve forever, she would not want you to.
She'd hope that you can carry on, the way you always do.
So talk about the good times and the way you showed you cared
The days you spent together, all the happiness you shared.
Let memories surround you,
A word someone may say
Will suddenly recapture a time, an hour, a day
That brings her back as clearly as though she were still here
And fills you with the feelings that she is always near
For if you keep these moments, you will never be apart
And she will live forever, locked safe within your heart.

Poem

To Honour You

To honour you...

I get up every day and take a breath.
And start another day without you in it.

To honour you...

I laugh and love with those who knew your smile
And the way your eyes twinkled with mischief and secret knowledge.

To honour you...

I take the time to appreciate everyone I love,
I know now there is no guarantee of days
or hours spent in their presence.

To honour you...

I listen to music you would have liked,
And sing at the top of my lungs, with the windows rolled down

To honour you...

I take chances, say what I feel, hold nothing back,
Risk making a fool of myself, dance every dance.

You were my light, my heart, my gift of love,
from the very highest source.

So every day, I vow to make a difference,
share a smile, live, laugh and love.

Now I live for us both, so all I do,

I do to honour you.
