Hymn

Abide With Me

The Choir Of Kings College, Cambridge

Abide with me: fast falls the eventide;
the darkness deepens; Lord, with me abide.
When other helpers fail and comforts flee,
Help of the helpless, O abide with me.

Swift to its close ebbs out life's little day;
earth's joys grow dim, its glories pass away.
Change and decay in all around I see.
O thou who changest not, abide with me.

I need thy presence every passing hour.
What but thy grace can foil the tempter's power?
Who like thyself my guide and strength can be?
Through cloud and sunshine, O abide with me.

I fear no foe with thee at hand to bless,
ills have no weight, and tears no bitterness.
Where is death's sting? Where, grave, thy victory?
I triumph still, if thou abide with me.

Hold thou thy cross before my closing eyes.
Shine through the gloom and point me to the skies.
Heaven's morning breaks and earth's vain shadows flee;
in life, in death, O Lord, abide with me.

Words of Farewell

Psalm 23

The Lord is my shepherd, I shall not want.

He makes me lie down in green pastures,

he leads me beside quiet waters,

he restores my soul.

He guides me along the right paths

for his name's sake.

Even though I walk

through the darkest valley,

I will fear no evil,

for you are with me;

your rod and your staff,

they comfort me.

You prepare a table before me

in the presence of my enemies.

You anoint my head with oil;

my cup overflows.

Surely your goodness and love will follow me

all the days of my life,

and I will dwell in the house of the Lord

for ever.

The Lord's Prayer

Our Father, who art in heaven,
hallowed be thy name;
thy kingdom come;
thy will be done;
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation;
but deliver us from evil.
For thine is the kingdom,
the power and the glory,
for ever and ever.
Amen.

One At Rest

Think of me as one at rest,
for me you should not weep
I have no pain no troubled thoughts
for I am just asleep
The living thinking me that was,
is now forever still
And life goes on without me now,
as time forever will.
If your heart is heavy now
because I've gone away
Dwell not long upon it friend
For none of us can stay
Those of you who liked me,
I sincerely thank you all
And those of you who loved me,
I thank you most of all.
And in my fleeting lifespan,
as time went rushing by
I found some time to hesitate,
to laugh, to love, to cry
Matters it now if time began
If time will ever cease?
I was here, I used it all,
and now I am at peace
