The Memories Live On

Our Mother Kept a Garden

Our Mother kept a garden, A garden of the heart.
She planted all the good things that gave our
lives their start.

She turned us to the sunshine, and encouraged
us to dream:
Fostering and nurturing, the seeds of self-
esteem.

And when the winds and rain came,
She protected us enough; But not too much,
Because she knew we would need to stand up
strong and tough.

Her constant good example always taught us
right from wrong.

Markers for our pathway that will last a lifetime
long.

We are our Mother's garden; We are her legacy.
And we hope today she feels our love, that's
here for all to see
