May your days be filled with blessings
Like the sun that always lights the sky
May you always have great courage
To spread your wings and fly
May you have a friendly greeting
For those you meet along life's way
And until we meet again
My soul renews you.

So let eternal light shine forth
Let all our hearts be entwined
Come let the light of life burn bright
In a heaven and now on earth.

May the joy flow deep within you
And honest be the hearts of those you love
May your tender hand be open
With guidance from above
May your passage be the safe one
As you live your life from day to day
And until we meet again
My soul renews you.

So let eternal light shine forth
Let all our hearts be entwined
Come let the light of life burn bright
In a heaven and now on earth.

So let eternal light shine forth
Let all our hearts be entwined
Come let the light of life burn bright
In a heaven and now on earth.

And until we meet again
And until we meet again
And until we meet again
In a heaven above.

Poem

The Lake Isle of Innisfree

William Butler Yeats

I will arise and go now, and go to Innisfree,
And a small cabin build there, of clay and wattles made;
Nine bean-rows will I have there, a hive for the honey-bee,
And live alone in the bee-loud glade.

And I shall have some peace there, for peace comes dropping slow,
Dropping from the veils of the morning to where the cricket sings;
There midnight's all a glimmer, and noon a purple glow,
And evening full of the linnet's wings.

I will arise and go now, for always night and day
I hear lake water lapping with low sounds by the shore;
While I stand on the roadway, or on the pavements grey,
I hear it in the deep heart's core.

Yvonne's family would like to thank everyone for attending today and warmly invite you to join them for refreshments after the service at
